

K2 B Charity

November, 2017

Dear Daddy & Mummy,

The month of November marked the end of our K2 journey at MacPherson Sheng Hong Childcare Centre. We had an unforgettable experience in participating in a unique treetop adventure at Forest Adventures and joining the overnight camp in school. Next year, we will be continuing a new learning journey at our Primary school and we would like to *take the opportunity to thank our teachers and friends for the friendship we share throughout the years.*
