

THE NEWSLETTER

Final Edition/Nursery A

Dear Parents,

Here is our last edition of newsletter for the year 2017. We are glad to share with you the memories and activities we had in the month of November.

EXCURSION

We ended our term 4 with an excursion at the Road Safety Community Park, located at East Coast. We had fun strolling around the park and applying the concepts we learned from our road safety lessons in school.

As part of our post-open house activity, we visited other classrooms and were allowed to play with many toys and learning materials. We also played our part in keeping our school clean and serving one another.

READING, WRITING and FINE MOTOR SKILLS

We had so much FUN this year and we are so proud to tell you that we are now transitioning to K1A! Yehey!!!!
