# BOND WITH YOUR CHILD

01 March 2019

It's Bond with Your Child Day!  
Thank you parents for participating  
in our sing and dance performance,  
making your own cat puppets, joining  
us in our puppet story drama and  
supporting us in our "Cat Adoption  
Drive". We had great fun and we  
enjoy having all you parents  
supporting us and participating in  
this event! 😊

We were doing our story drama of "Pete the Cat" story with the help of our parents who's reading our line.

Our friends Jiaqi, Arissa and Quintus presenting their knowledge on different types of cats' shelter.

Our friend Andrea presenting the making of "Veggie Burger Patty" as a special food for cats.

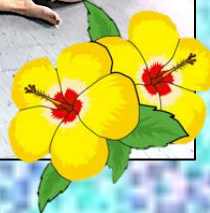

While our friends Kea Hee and Chloe presented the cat accessories we have made.

# Majie Ah Di's Letter

Ah Di travelled from China to Singapore seeking a better life so she could support her family. Ah Di found work as a 'Majie' in the home of a wealthy family. One day, she decided to seek help from a letter writer in Chinatown. Through this show, the children learned about the letter writers, once commonly sighted along the "five-foot ways" in Chinatown, and how they have provided an indispensable service in helping the illiterate Majies to communicate with their families back home. We enjoyed this interactive and entertaining performance with a sense of humour.

04 March 2019

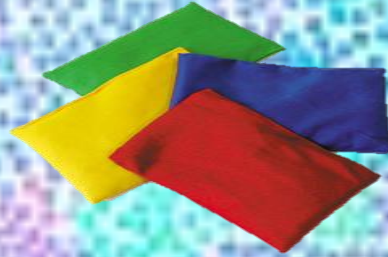

# POLICE TALK

06 March 2019

A SCHOOL VISIT FROM OUR FRIENDLY POLICE OFFICER!  
☺ He explained what a police officer does during his patrol and their duties. He will usually carry a baton, handcuffs, communication set and firearm. We also had the opportunity to take a closer look at his police car. ☺

# MSD: HOPPING, BALANCING & THROWING

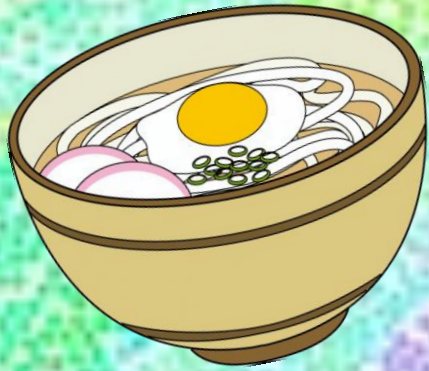

25 March 2019

It's time for team up! 😊 We had a wonderful team competition with our friends as we hop in each hula hoops and aim for the target and throw the bean bags. We felt great but we were exhausted! 😊

# The Noodles Project

25 March 2019

For term 2, we decided to embark on the Noodle project. There are many types of noodles. There are yellow noodles, handmade noodles, spaghetti, egg noodles and many others. We used our senses to touch, feel, smell and even took a closer look at them.

Morning recap with our teacher! 😊  
We read words with digraph /ai/. It was a little challenging but with the help of Ms. Tina, we were able to pronounce and read all the words correctly. We also matched the words to its pictures to enhance our vocabulary.

26 March 2019

Reading Programme:

# Bug on a Rug

27 March 2019

Today's the last day of reading "Bug on a Rug" story. We were able to read the story with our friends in front of the class.
